

1980 Cessna Turbo Centurion N6355B SN 21063874

ZonnAir
Tucson, AZ
520-749-3575

This T-210 is an exceptional aircraft! A serious traveling machine, this airplane's paint and interior are in wonderful condition. The airplane, engine compartment and the interior show the owner's pride of ownership. Always hangared, the aircraft logbooks are complete from first flight at the factory.

The IO-520 gives exceptional performance with a very smooth running turbo charged engine! Don't miss the opportunity to own an exceptional airplane!
