Combination Leather Fabric Interior	

This outstanding aircraft may be the finest aircraft construction example I have ever seen: A very experienced pilot, the builder has a PHD in Aerospace engineering and is an artisan and craftsman. The fit and finish on this aircraft rivals anything! It was the **Kit Built Champion Oshkosh 2004! First Place Custom Built Composite and Reserve Grand Champion at Copper State Fly In 2006!** “Mel’s attention to detail, sense of style, and tremendous workmanship made N14B a Stand out Airplane!” (Central States Newsletter 10-04) This aircraft is so far beyond what one would expect in a manufactured item, either factory or home built, that it borders on art! There is not a blemish in or on the entire aircraft! Truly an outstanding aircraft! Includes Annual
